Expert: Gita Feldhune
Title: Discrimination in relation to employment support measures
Country: Latvia
Context
Issue at stake: Prohibition of discrimination in active employment measures and prevention of unemployment
Ground of discrimination: Racial/ethnic origin
Source: Legislation
Field: Employment
Legislative provisions: Amendments to the Law on the support to unemployed persons and job seekers (Law adopted on 09 March 2002, published in "Latvijas Vēstnesis", 80 (2655), 29 May 2002, amendments adopted on 11.03.2010, published in "Latvijas Vēstnesis", 51/52 (4243/4244), 31 March 2010)

Content

Law: The Law regarding support to unemployed persons and job seekers, which until now did not contain any anti-discrimination clause, was amended on 11 March 2010 (amendments in force from 14 April 2010) to include such a clause.
